Chorus:

She says: I like Fundays better than Sundays  
Don't like Brandy, I like candy  
Hey don't tease me, just try and please me  
You know she's a Perfect Girl

She is a perfect girl  
With morals on her side  
She went to church and went to school  
And never ever lied  
And she is daddy's little girl  
With hair all up in curl  
A twinkle in her eyes  
And a smile just like sunrise

Chorus

You've heard about those girls  
In girly magazines  
Well I'm sure you won't find her  
On the pages in between  
She never smokes and she won't drink  
She's perfectly unique  
And if she has a crime  
It's her phone bills outa line

Chorus

She says: Maybe I might let you hold me  
Just don't think that you can ever own me!

I know that other girls  
Are looking for a guy

Well she was never raised that way  
She's reaching for the sky  
So you can take your fancy things  
And take your diamond rings  
As funny as it sounds  
They don't make her world go round

## Chorus
