[how many ways can you say goodbye]  
[that was nothing]  
[ \_\_\_\_\_ something]

how many days were in dreaming  
in many ways just a lie  
in better days I'd be dreaming  
as my life passed me by  
now pardon me for trying  
trying to tear apart  
and pardon me for lying  
it's just easy, so easy, to start
