

## **This Mortal Coil "Strength Of Strings"**

Visit "[Strength Of Strings](#)" on MotoLyrics.com

In my life the piano sings  
Brings me words that are not the strength of strings  
Fiery rain and Ruby's cooling sun  
Now I see that my world has only begun  
Notes that roll on winds with swirling wings  
Brings me words that are not the strength of strings

In my life the piano sings  
Brings me words that are not the strength of strings  
Fiery rain and Ruby's cooling sun  
Now I see that my world has only begun  
Notes that roll on winds with swirling wings  
Brings me words that are not the strength of strings
