just like the sun over the mountain top
you know I'll always come again
you know I love the sun, my morning sun
that sunlight dancing on your skin
___ what you see is what I ___
there is nothing I could hide from you
you see me better than I can ___
along the roads that lie before ___
there are some turns where I will slip

'til I can gain control again
like a lighthouse you're ___
and like ___
no matter what seas I have been sailing on
I'll always row this way again
along the roads that lie before ___
there are some turns where I will slip
I only hope that you can hold me now
'til I can gain control again
I only hope ___
'til I ___
