I don't want a lot for Christmas  
There is just one thing I need  
I don't care about the presents  
Underneath the Christmas tree

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you

I don't want a lot for Christmas  
There is just one thing I need  
I don't care about the presents  
Underneath the Christmas tree

I don't need to hang my stocking  
There upon the fireplace  
Santa Claus won't make me happy  
With a toy on Christmas Day

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you  
You baby

Oh I won't ask for much this Christmas  
I won't even wish for snow  
And I'm just gonna keep on waiting  
Underneath the mistletoe

I won't make a list and send it  
To the North Pole for Saint Nick  
I won't even stay awake to  
Hear those magic reindeer click

'Cause I just want you here tonight  
Holding on to me so tight  
What more can I do?  
Baby all I want for Christmas is you  
You baby

You baby

All the lights are shining  
So brightly everywhere  
And the sound of children's  
Laughter fills the air

And everyone is singing  
I hear those sleigh bells ringing  
Santa won't you bring me the one I really love?  
Won't you please bring my baby to me?

Oh I don't want a lot for Christmas  
This is all I'm asking for  
I just wanna see my baby  
Standing right outside my door

I just want you for my own  
More than you could ever know  
Make my wish come true  
Baby all I want for Christmas  
Is you, you baby

All I want for Christmas is you baby  
[repeat until fade]
