i woke up this morning  
i found that i had  
a smile on my face  
i asked myself whats this for  
and i remembered you  
and i thought of you

reality  
you barely know me  
i want to know you  
i want to sit beside you  
and talk about anything  
i wanna be with you  
everyday with you  
but that  
that wont happen  
that probably wont happen  
no way  
no way

but then i recall last nights drama  
i got frustrated  
than i went back to sleep  
my dreams were of you  
and your pretty face  
when i got up  
i wanted to get out of bed  
and go to your place

but  
you barely know me  
i want to know you  
i want to sit beside you  
and talk about anything  
i wanna be with you  
everyday with you  
but that  
that wont happen  
that probably wont happen  
no way  
that'll be the day

but can i just say  
i think youre wonderful, wonderful  
yeah  
but can i just say  
i think youre wonderful..wonderful

but you barely know me  
i want to know you  
i want to sit beside you  
and talk about anything

but that  
that wont happen  
that probably wont happen  
no way  
that'll be the day

because you barely know me  
and i want to know you  
i want to sit beside you  
and talk about anything  
i want to be with you  
everyday with you  
but that  
that wont happen  
that probably wont happen  
no way  
that'll be the day  
no way
