I got those lovesick blues  
I feel it more than ever  
Sinking in my chest like a ship in the blue, doo doo doo  
She was a drug I abused  
I feel a rising fever  
Shaking in my sleep left me broken and bruised, doo  
doo doo,

She said "You're just a let down,  
Another one of my mistakes,  
I never loved you anyway,  
I never did and I never will..."  
She said "You're just a let down,  
All your friends,  
They feel the same,  
I never loved you anyway,  
I never did and I never will..."

I got those lovesick blues,  
Cause I sold my soul to the devil.  
She was well dressed and she knew what to do, doo  
doo doo,  
I'm painted crimson and blue,  
She was a ruthless artist,  
Traded my skin for cheap sex and tattoos, doo doo  
doo,

She said "You're just a let down,  
Another one of my mistakes,  
I never loved you anyway,  
I never did and I never will..."  
She said "You're just a let down.  
All your friends,  
They feel the same,  
I never loved you anyway,  
I never did and I, I never will, I never will."

She sealed my fate with her conniving sugar kissin'.  
I took the bait, she told me I didn't know what I was  
missin'.

She sealed my fate with her conniving sugar kissin'.

I took the bait, she told me I didn't know what I was missin'.

She said "You're just a let down,  
Another one of my mistakes,  
I never loved you anyway,  
I never did and I never will..."  
She said "You're just a let down,  
I finally found the nerve to say,  
I never loved you anyway,  
I never did and I, I never will, I never will.

She sealed my fate with her conniving sugar kissin'.  
I took the bait, she told me I didn't know what I was missin'.

She sealed my fate with her conniving sugar kissin'.  
I took the bait, she told me I didn't know what I was missin'.
