Bright lights and butterflies
I take my place tonight
Bright lights and butterflies
We drink to my demise
I've got this selfish craze
A lavish taste for a brightly lit stage
Infamous and famous they are one in the same
So we drink tonight
To my impending fame

You might deny it but you're tied to your desires
Oh your selfish
Yeah your selfish just like everyone else
You might deny it but you're tied to your desires
Yeah your selfish
Yeah your selfish just like everyone else

I've found the perfect disguise
Impossible charisma, charisma
The bright lights are shining in your eyes
Rock n' Roll Honey and impossible charisma

You might deny it but you're tied to your desires
Oh your selfish
Yeah your selfish just like everyone else
You might deny it but you're tied to your desires
Yeah your selfish
Yeah your selfish just drink up

Yeah so drink up oh
Yeah so drink up oh

I am taken by the night time oh
I'm taken by the moonshine, moonshine
I am taken by the night time oh
I'm taken by the bright lights, bright lights

You might deny it but you're tied to your desires
Oh your selfish
Yeah your selfish just like everyone else
You might deny it but you're tied to your desires
Yeah your selfish

Yeah your selfish so drink up
Yeah your selfish
Yeah your selfish just like everyone else
Yeah your selfish
Yeah your selfish so drink up
