Stop, Stop,
And remember where you are,
Baby girl, baby girl it's okay,
Stop, Stop,
And remember where you are.

She's got the whole world
In the palm of her hand,
It's too much for her
To handle, to handle.

As she stumbles upon her day,
The boys she loved began to fade away,
The life lost but it was found,
But she pushes him away.

Save your life and I'll save yours,
Don't let this game beat you down.
Save your life and I'll save yours,
Don't let this game win
