I got those lovesick blues
I feel it more than ever
Sinking in my chest like a
Ship in the blue, do do doodoo

She was the drug I abused
I feel a rising fever
Shaking in my sleep
Left me broken and bruised, do do doodoo

She said "You're just a let down, another one of my
mistakes,
I never loved you anyway,
I never did and i never will..."

She said "You're just a let down,
All your friends,
They feel the same,
I never loved you anyway,
I never did and I never wil..."

I got those lovesick blues,
'Cause I sold my soul to the devil,
She was well dressed and she
Knew what to do, do do doodoo

I'm painted crimson and blue,
She was a ruthless artist,
Traded my skin for
Cheap sex and tattoos, do do doodoo

She said "You're just a letdown,
Another one of my mistakes,
I never loved you anyway,
I never did and I never will..."

She said "You're just a letdown,
All your friends,
They feel the same,
I never loved you anyway,
I never did and I, I never will,
I never will."

woa oh, woa oh oh, woa oh oh oh

She sealed my fate with her conniving sugar kisses.
I took the bait,
She told me I didnt know what I was missin'.

She sealed my fate with her conniving sugar kissin'.
I took the bait,
She told me O didn't know what i was missin'.

She said "You're just a let down,
Another one of my mistakes,
I never loved you anyway,
I never did and I never will..."

She said "you're just a letdown,
I finally found the nerve to say, I never loved you
anyway,
I never did and I,
I never will, I never will.

She sealed my fate
With her conniving sugar kisses.
I took the bait, she told me I didn't know what I was
missin'.

She sealed my fate
With her conniving sugar kissin'
I took the bait, she told me I didn't know what I was
missin'.
