From the distance you looked so good  
As I'm closer, you look better than you should  
I wasn't lookin' 'til I looked in your eyes  
Aah, you took me by surprise.

Rock me, baby  
Rock me in your arms  
I should know better  
I know the way you charm  
The way you make me feel  
I've not felt before  
Rock me, baby  
Rock me more.

From the first time I was almost there  
Your hands on me were so alive  
You walked into me and saw me bare  
Ah, you took me by surprise.

Rock me, baby  
Rock me in your arms  
I should know better  
I know the way you charm  
The way you make me feel  
I've not felt before  
Rock me, baby  
Rock me more.

Rock me, baby  
Rock me in your arms  
I should know better  
I know the way you charm  
The way you make me feel  
I've not felt before  
Rock me, baby  
Rock me more.

Rock me, baby  
Rock me in your arms  
I know better  
I know the way you charm

The way you make me feel  
I've not felt before  
Rock me, baby  
Rock me more  
Rock me, baby...
