"Father Forgive Me"

Visit "[Father Forgive Me](#)" on MotoLyrics.com

Can I take you back to see my old days?
When I walked alone, With my flesh and bone
Can I take you back to see my old ways?
Life so cruel, I played the fool

Father forgive me (2x)

I've lost my way
I've been lead astray
I've walked this path so many times (2x)

Can I take you back to see my old face?
Beaten and bruised, Used and abused
Can I take you back to see my old heart?
So full of hate, Blood contaminate

Father forgive me (2x)

I've lost my way
I've been lead astray
I've walked this path so many times (2x)

I'm never alone
I'm coming back (I'm coming back)
I'm never alone (4x)

(in full effect)
