Mankind scumbag  
I'd rather scratch out my eyes  
Self-destruction  
I'd rather tie my own noose

Humanity  
Cough up your lines  
I'd rather die

I can't witness  
Without being so bitter  
Hatred without bias  
I've judged you all

Humanity  
Cough up your lines  
I'd rather die  
I'd rather die

Harboring hate  
I've got to let it all go  
My own fate  
I know I know I know

Humanity  
Cough up your lines  
I'd rather die

I'd rather die  
Than live a lie  
I'd rather die  
Than live your life
