There's such a sad love,  
Deep in your eyes.  
A kind of pale jewel,  
Open and closed,  
Within your eyes.  
I'll place the sky  
Within your eyes.  
There's such a fooled heart,  
Beating so fast,  
In search of new dreams.  
A love that will last,  
Within your heart.  
I'll place the moon  
Within your heart.  
As the pain sweeps through,  
Makes no sense for you.  
Every thrill it's caused,  
Wasn't too much fun at all,  
But I'll be there for you-ou-ou,  
As the world falls down.  
Falling.

Falling in love.

I'll paint you mornings of gold.

I'll spin you Valentine evenings.

Though we're strangers 'til now,

We're choosing the path

Between the stars.

I'll leave my love

Between the stars.

As the pain sweeps through,

Makes no sense for you.

Every thrill it's caused.

Wasn't too much fun at all,

But I'll be there for you-ou-ou,

As the world falls down.

Falling

As the world falls down.

Falling

As the world falls down.

Falling.

As the world falls down.

Falling.

Falling.

Falling.

Falling in love

As the world falls down.

Falling.

Falling.

Falling in love

As the world falls down.

Makes no sense at all.

Makes no sense to fall.

Falling.

As the world falls down.

Falling.

Falling.

Falling in love

As the world falls down.

Falling.

Falling.

Falling in love.

Falling in love.

Falling in love.

Falling in love.
