No one can blame you,  
For walking away.  
Too much rejection, (na na)  
No love injection. (na na)  
Life can be easy,  
It's not always swell.  
Don't tell me truth hurts, little girl,  
'Cause it hurts like hell.  
But down in the underground,  
You'll find someone true.  
Down in the underground,  
A land serene,  
A crystal moon, ah, ah.  
It's only forever,  
Not long at all.  
Lost and lonely,  
That's underground.  
Underground.  
Daddy, daddy, get me out of here.  
Ha ha i'm underground.  
Heard about a place today.

Where nothing never hurts again.  
Daddy, daddy, get me out of here  
Ah ha i'm underground.  
Sister sister, please take me down.  
Ah ah i'm underground.  
Daddy, daddy, get me out of here.  
No one can blame you,  
For walking away.  
Too much rejection, (na na)  
No love injection. (na na)  
But down in the underground,  
You'll find someone true.  
Down in the underground,  
A land serene,  
A crystal moon, ah, ah.  
It's only,  
It's only forever,  
It's not long at all.  
The lost and the lonely,  
That's underground.  
Underground.  
Daddy, daddy, get me out of here.  
Heard about a place today,  
Where nothing never hurts again.  
Daddy, daddy, get me out of here.

Ha ha i'm underground.

Sister, sister, please take me down.

Ah ha i'm underground.

Daddy, daddy, get me out.

Wanna live underground.

Wanna live underground.

Wanna live underground.

Wanna live underground.

Wanna live underground.

Wanna live underground.

Wanna live underground.

Wanna live underground.

Daddy, daddy, get me out of here.

Ah ha i'm underground.

Sister sister please take me down.

Ah ha i'm underground.

Ah ha i'm underground.

Ah ha i'm underground.

Daddy, daddy, please...

Daddy, daddy, please...

Wanna live underground.

Wanna live underground.

Wanna live underground.
