"Within You"

How you turn my world
You precious thing.
You starve and near exhaust me.
Everything I've done,
I've done for you.
I move the stars for no one.
You've run so long,
You've run so far.
Your eyes can be so cruel,
Just as I can be so cruel,
Though I do believe in you.
Yes I do.
Live without the sunlight.
Love without your heartbeat.
I... I... can't live within you.
I can't live within you.
(Sigh)
I... I... can't live within you.
