Only a fool  
Like fools before me  
I always think with my heart

Only a fool,  
That same old story  
Seems I was born for the part

It's a lesson to be learned  
And a page I should have turned  
I shouldn't cry but I do,  
Like an ordinary fool  
When his ordinary dreams fall through

How many times  
Have I mistaken  
Good looks and laughs for bad news?

And how many times  
Have I mistaken  
Good looks and laughs for the blues?

When a road I walked before  
Ends alone at my front door  
I shouldn't cry but I do,  
Like an ordinary fool  
When his ordinary dreams fall through
