Shedding skin  
Pray I'm not like them  
Something grows underneath this veil  
Just can't see it like before

I know there's more  
Just one breath and I'll explode  
Right before they tore me back  
To whom I was before

Wish I'd risk it  
Make a run tonight  
We'll leave this world stay out of sight  
Have you felt it?  
Comes from deep inside  
Fall off the edge  
Fall out of time

Rest yourself  
Cause I'm not lying  
Something grows out of emptiness  
Just can't see it like before

I know there's more  
It shows in cracks and open sores  
Something haunts these empty streets  
Keeps on coming back for more

Wish I'd risk it  
Make a run tonight  
We'll leave this world stay out of sight  
Have you felt it?  
Comes from deep inside  
Fall off the edge  
Fall out of time

I'll leave tonight  
We'll leave this world  
Stay out of sight  
I'll run tonight  
We'll leave this world

Stay out of sight

I'll leave tonight  
We'll leave this world  
Stay out of sight  
I'll run tonight  
Fall off the edge  
Fall out of time
