Maybe it's love, but it's like you said

"Love is like a role that we play."

But, I believe in you so much

I could die for the words that you say

But, I believe in you so much

I could die from the words that you say

But, you're chasin' the ghost of a good thing

Haunting yourself as the real thing

It's getting away from you again

While you're chasin' ghosts

I guess it's luck, but it's the same

Hard luck, you've been trying to tame

Maybe it's love, but it's like you said

"Love is like a role that we play."

But, I believe in you so much

I could die for the words that you say

But, I believe in you so much

I could die from the words that you say

But, you're chasin' the ghost of a good thing

Haunting yourself as the real thing

It's getting away from you again

While you're chasin' ghosts  
Just bend the pieces 'till they fit  
Like they were made for it  
But, they weren't meant for this  
No, they weren't meant for this  
Just bend the pieces 'till they fit  
Like they were made for it  
But, they weren't meant for this  
Chasin' the ghost of a good thing  
Haunting yourself as the real thing  
It's getting away, away, away, away from you again  
Chasin' the ghost of a good thing  
Haunting yourself as the real thing  
It's getting away from you again  
While you're chasin' ghosts
