Chorus:

This is my kind of town
I ain't never seen nothing like it
In all my traveling 'round
If this old highway ever gives me up
And I think about settling down
Well, this is my kind of town
There aint' no place on God's green earth
I'd rather be right now
Folks around here sure seem to know
What living's all about
I could hang around here forever
Lord, I feel so much at home
When it comes time for me to leave
It'll be so hard to go 'cause

Chorus:

This is my kind of town
I ain't never seen nothing like it
In all my traveling 'round
If this old highway ever gives me up
And I think about settling down
Well, this is my kind of town
Now, I ain't the kind to just muscle in
Oh someone else's world
But from what I've seen it seems to me
They got lots of extra girls
And if I could get me one of them
And a little house nearby
Well, I'd park these boots, hang this hat
And stay here 'til I die

Chorus:

This is my kind of town
I ain't never seen nothing like it
In all my traveling 'round
If this old highway ever gives me up
And I think about settling down
Well, this is my kind of town
If this old hightway ever gives me up
And I think about settling down
Well, this is my kind of town
