I've called from every rund down phone booth
In Atlanta, Georgia
Tryin' to find someone to tell me
Where you'd gone
I begged and pleaded with your mama
'Til she gave me this number
Honey, we can work it out
Just come on home
Chorus:
'Cause there's a whole lotta love on the line
And all I need is a chance to change your mind
Don't hang up the phone, 'cause evertying's not gone
Think about it, baby
There's a whole lot of love on the line
All this distance that's come between us
Has gone far enough
And Now I know that closer to you
Is where I belong
And the feelin' I'm feelin' inside
Is what I'm trying' to send through the wires
Oh, darling who cares
Who's right or who's wrong
Chorus:
'Cause there's a whole lotta love on the line
And all I need is a chance to change your mind
Don't hang up the phone, 'cause evertying's not gone
Think about it, baby
There's a whole lot of love on the line
