Do you ever think about me
Do you ever cry yourself to sleep
In the middle of the night when you're awake
Are you calling out for me
Do you ever reminisce
I can't believe I'm acting like this
Oh it's crazy
How I still can feel your kiss
[Chorus]
It's been six months, eight days, twelve hours since you
ran away
I miss you so much and I don't know what to say
I should be over you
I should know better
But it's just not the case
It's been six months, eight days, twelve hours since you
ran away
Do you ever ask about me
Do your friends still tell you what to do
Every time the phone rings
Do you wish it was me calling you
Do you still feel the same
Or has time put out the flame
I miss you
Is everything okay
[Chorus]
It's been six months, eight days, twelve hours since you
ran away

I miss you so much and I don't know what to say
I should be over you
I should know better
But it's just not the case
It's been six months, eight days, twelve hours since you
ran away
It's hard enough
Just passing the time
When I can't seem to get you off my mind
Where is the good in goodbye
Tell me why
Tell me why
[Chorus]

It's been six months, eight days, twelve hours since you
ran away
I miss you so much and I don't know what to say
I should be over you
I should know better
But it's just not the case
It's been six months, eight days, twelve hours since you
ran away
Sing it for me
Ooh ooh ooh ooh ooh
Ooh ooh do do do
Ooh ooh ooh ooh ooh
Ooh ooh do do do
