My heart is like a desert
Gone too long without rain
And your love is like the water
That makes the river run again
I'm burning like the Tucson sand
Broken as the parched, dry ground
I need to feel you
Raining down
[Chorus]
I wanna feel your love like the Arizona rain
Pouring down like a hurricane
I wanna drown my soul and wash away the pain
In the Arizona rain
Well it feels like forever since
Last time I looked into your eyes
And I need to be reminded
And I need to be revived
So love me like a long lost friend
Caress me like the desert wind
And make a parched heart
Bloom again
[Chorus]
I wanna feel your love like the Arizona rain
Pouring down like a hurricane
I wanna drown my soul and wash away the pain

In the Arizona rain
I wanna feel your love like the Arizona rain
Pouring down like a hurricane
I wanna drown my soul and wash away the pain
In the Arizona rain
Rain
I need to feel you
In the Arizona rain
I wanna feel your love
In the Arizona rain
[Chorus]
I wanna feel your love like the Arizona rain
Pouring down like a hurricane (I wanna feel your love)
I wanna drown my soul and wash away the pain
In the Arizona rain
I wanna feel your love like the Arizona rain

Pouring down like a hurricane
I wanna drown my soul and wash away the pain
In the Arizona rain
I wanna feel your love like the Arizona rain
Pouring down like a hurricane
I wanna drown my soul and wash away the pain
In the Arizona rain
