Boy, when we're close like this  
It's so hard to resist  
Cause all I wanna do  
Is give my heart and soul to you  
Now, in my dream at night  
I feel you hold me tight  
I know this love is real  
I can't stop the way I feel  
[Chorus]  
Baby I'm falling fast  
Must be a spell cast  
My heart's holding onto every word that you say  
I've never felt this before  
Can't hold back anymore  
Just one more kiss  
And I'll be over, over the edge  
Boy, when you take my hand  
I finally understand  
That love isn't just a word  
Oh, it's heaven here on earth  
And, when you promise me  
That you will always be

The one right here by my side  
Now until the end of time  
[Chorus]  
Baby I'm falling fast  
Must be a spell cast  
My heart's holding onto every word that you say  
I've never felt this before  
Can't hold back anymore  
Just one more kiss  
And I'll be over, over the edge  
All you have to do is look in my eyes (Look in my eyes)  
And baby, I can fly  
I can fly  
[Chorus]  
Baby I'm falling fast  
Must be a spell cast  
My heart's holding onto every word that you say  
I've never felt this before  
Can't hold back anymore

Just one more kiss  
And I'll be over, over  
Over  
The edge
