I can have a heart of stone  
Stand my ground and walk alone  
Be strong when everything falls down around me  
I can keep my self-control  
Guard the secrets of my soul  
Solid as a rock  
Until you found me  
[Chorus]  
Baby you move me  
You shake me  
You take me in your arms and make me  
Wanna give you every little peice my heart  
Baby you rock me  
You roll me  
There's something in the way you hold me yeah  
Oh I just fall apart  
Baby you break me  
You roll me like a piece of clay  
All my amibition melts away  
Everytime my baby I'm around you  
Shakin' when you hold me close  
I'm unprotected and exposed  
I don't know just what it is that you do

[Chorus]  
Baby you move me  
You shake me  
You take me in your arms and make me  
Wanna give you every little peice my heart  
Baby you rock me  
You roll me  
There's something in the way you hold me yeah  
Oh I just fall apart  
Baby you break me  
All my walls com tumblin' down  
They just crumble to your touch  
[Chorus]  
Baby you move me  
You shake me  
You take me in your arms and make me  
Wanna give you every little peice my heart  
Baby you rock me

You roll me  
There's something in the way you hold me yeah  
Oh I just fall apart  
Baby you break me  
Baby you break me  
Ohh ohh  
I just fall apart  
Baby you break me
