(verse)

Hey Annie, well look at you  
Is that a new boy stuck on your shoe?  
Come on Annie, how is it so?  
You've always got a new bubble to blow

I'm gonna tell you how it's gonna get done  
I'm just a girl that's only chewing for fun  
You spit it out when all the flavor has gone  
Wrap him round your finger like you're playing with  
gum

(chorus)

Oh no, oh no, you've got it all wrong  
You think you're chocolate when you're chewing gum  
Oh no, oh no, a slip of the tongue  
You think you're chocolate but you're chewing gum  
Oh no

(speaking)

Was there anything else?

(verse)

Hey Annie, you used to be  
The only girl to take it seriously  
Come on Annie, tell us your trick  
On how you keep on getting boys to stick

Okay I'll tell you why I never look back

It's my selection, it's my pick of the pack  
Well hot dog, I'm a chewing machine  
It makes me smile and it keeps my teeth clean

(chorus)

Oh no, oh no, you've got it all wrong  
You think you're chocolate when you're chewing gum  
Oh no, oh no, a slip of the tongue  
You think you're chocolate but you're chewing gum (I  
just wanna chew gum)

Oh no, oh no, you've got it all wrong

You think you're chocolate when you're chewing gum  
Oh no, oh no, no you're not the one  
You think you're chocolate but you're chewing gum  
Oh no

(speaking)

I don't want to settle down  
I just wanna have fun  
I don't want to settle down  
I just wanna chew gum

I don't want to settle down  
I just wanna have fun  
I don't want to settle down  
I just wanna chew gum

(chorus)
