Self science
Scientology
Hubbards rape for the world to see
Ethics and punishment and a goldmine in clearwater
Abuse of power the world over

Some people give everything
To believe in the self
Some people give everything
Then they get nothing
And nothing is crushing
And crushing will kill
To believe in the...

Nothing taken
Nothing given
Take away this world to live
Don't want to feel superhuman
Just want to feel some kind of human

Some people give everything
To believe in the self
Some people give everything
Then they get nothing
And nothing is crushing
And crushing will kill
To believe in the...
