yeah
tadadadum da dadadum (2x)

saturday night she saw him walking down the street
such an easy game to beat
it's time to hit it off (hit it off, now)
'cause she's been waiting, waiting for so long
waiting for him to come along
and now the time has come (aah aah aahah)

she's got a crush on him
but she don't know where to begin
she don't know where to begin
(2x)
she don't know where to begin

uh uh woo

step by step they walk in to the discothèque
she asks him do you wanna dance
or do you wanna go
'cause she's been waiting, waiting for so long
waiting for him to come along
and now the time has come (aah aah aaha)

she's got a crush on him
but she don't know where to begin
she don't know where to begin
(2x)
she don't know where to begin
uh uh uh

ah aha, ah ahoo-ah (3x)
aah aah aah aah

she's got a crush on him
but she don't know where to begin
she don't know where to begin
(4x)
she don't know where to begin
