(Don't stop)

(Don't stop)

I can't stop 'cause what I got  
'Cause tonight I'm gonna keep going (Don't stop)  
All I know is who I am  
And I'll never be afraid to show it (Don't stop)

I won't stop 'cause I'm on top  
And you're never gonna knock me off it  
What I say and what I do  
Are the same things, don't you know it? (Don't stop)

Oh, when your lights are low  
No need to be afraid of the unknown  
I'll be the flame, you'll be the fuel.  
If you resist my kiss and miss my lips  
You know you've crossed the line  
You play by my rules.

Let's go  
You have no  
Control  
I said, oh  
Wanna know  
Don't stop  
Let's go

(Don't stop)

Don't you stop, I know you won't  
'Cause I'm gonna make you keep on moving  
I dress up to dress you down  
And I'm gonna keep the rhythm grooving (Don't stop)

I got you set in my sight (Don't stop)  
I'm loaded, ready to fire (Don't stop)  
Wait til you're in a safe place  
And you know I won't break your heart (Don't stop)

Oh, when your lights are low  
No need to be afraid of the unknown  
I'll be the flame, you'll be the fuel.  
If you resist my kiss and miss my lips  
You know you've crossed the line  
You play by my rules.

Let's go  
You have no  
Control  
I said, oh  
Wanna know  
Don't stop  
Let's go  
I said go  
Oh oh  
Let's go  
You have no  
Control

Don't underestimate me  
Time after time  
You will be the one to lose  
Baby, I bite  
But you're playing by my rules

Let's go  
You have no  
Control  
I said, oh  
Wanna know  
Don't stop (you can't stop me now)  
Let's go  
I said go  
Oh oh  
Let's go  
You have no  
Control
