(verse)

There was a time  
Everybody was around  
And I was dancing with you

We all went down  
To a party Friday night  
And had a drink there or two

Oh what a heap  
Of love and heartbeat  
It's so electricity

Majestic sound  
Round and round and round  
I'm glad you're next to me

(chorus)

Feel my heartbeat  
Truly to the beat  
Love the symphony

Feel my heartbeat  
Truly to the beat  
Love the melody  
Come and see

Feel my heartbeat  
Truly to the beat  
Love the symphony

Feel my heartbeat  
Truly to the beat  
Love the melody  
Come see

(verse)

Time after time  
Everybody came around  
And I was dancing with you

Don't know your name

Making me ashamed  
To feel the way that I do

The lights went out  
Couldn't be without  
It was the place to be  
I won't forget  
Greatest dance I had  
When I was dancing with you

(chorus)  
Feel my heartbeat  
Truly to the beat  
We all want it now

Feel my heartbeat  
Truly to the beat  
We all want it now  
Somehow

Feel my heartbeat  
Truly to the beat  
Love the symphony

Feel my heartbeat  
Truly to the beat  
Love the melody  
Come see

Feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat now

Feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat now somehow

There was a time  
Everybody was around  
And I was dancing with you

Don't know your name  
Making me ashamed  
To feel the way that I do

The lights went out  
Couldn't be without  
It was the place to be

I won't forget  
Greatest dance I had

When I was dancing with you
