(verse)

I saw you
It was a rainy day in May or June
I couldn't help it
God, you looked so fine
I just had to make you mine, all mine
Well I'm a helpless fool for love

Instantly

I cannot eat nor sleep, no
Hard to breathe
You read my love so easy
A, B, C
Twist my mind around and 1, 2, 3
Then I'm a helpless fool for...

(chorus 1)

Ah...
When he walks (?)
When he talks
When he moves
Makes my day
I'm the helpless one

Ah...

Not unkind
I don't mind
When he talks
Just a rush
I'm a fool for love

(verse)

All shook up
I know it's stupid to precipitate
Without getting all humiliate
Didn't know what I should say or do
Everything I'll give to you and me (when I'm here
without you)
We're gonna have a riot
Trust in me (I can't live without you)

I'm gonna make you happy

What you need (helpless fool without you)
I'll give you everything
I'll try to be (you know, you know, you know, you know,
you know)
Still your helpless fool for...

(chorus 2)

Ah...
When he walks
When he talks
When he moves
Makes me feel
I'm a fool for love

Ah...
What a joy, you're my boy
And it seems like a dream
Now I'm all shook up

Ah...
Need you, Doctor Love
Are you there?
Every day I'm the helpless one

Ah...
Not unkind
I don't mind
When he talks
Just a rush
I'm a fool for love

I am a helpless fool for love
I am a helpless fool for love
I am a helpless fool for love

(chorus 2)

I am a helpless fool for love
