Grace: Cowboy heroes,  
cops and robbers,  
glamour and strife,  
bigger than life!  
Sitting in the darkness,  
what a world to see!  
Let's go to the movies,  
Annie, wait and see.

Betty Davis is probably lying,  
and Greta Garbo is probably crying,  
while Robert Taylor  
is locked in her dying embrace.  
Chico and Groucho  
and Chaplin and Lloyd  
are all super.  
Sweet Mickey Mouse,  
Shirley Temple,  
and dear Jackie Cooper.

Annie: Let's go to the movies..

Both: Let's go see the stars

Grace: Fred and Ginger  
spinning madly...  
(instrumental break)  
Anything you  
can imagine...  
Songs and romance.  
Life is the dance.  
Sitting in the darkness,  
popcorn on your knee!  
Give the maid the night off!

Warbucks: Turn the kitchen light off!

Grace and Warbucks: Let's go to the movies,  
Annie, you and me!

Ushers: Welcome to the movies!  
Welcome to the stars!

Welcome to this  
grand illusion.  
All of it's yours  
right through these doors!  
Every plot's a dilly,  
this we guarantee!  
Welcome to the movies  
wait and see.

Female chorus: Let's go to the movies (see the movies)  
Let's go see the stars.  
Red lights holler  
deep Depression  
What do we care?  
Movies are there!  
Only happy endings (boy gets girl, yes)  
that's our recipe!  
Welcome to a lovely  
M-O-V-I-E!

Male chorus: Let's go to the movies

Female chorus (same time as guys): We love to go  
to RKO  
Columbia  
Universal

Male chorus: Let's go see the stars

Female chorus (simultaneously): Jack Warner and  
Fred Goldwyn and  
MGM and Paramount

Both: Dreams of glory,  
cast of thousands,  
bigger than life.  
Bigger than life!  
Only happy endings  
that's our recipe  
So, welcome  
to the movies  
wait...  
and...  
see!
