what do you want, what do you want for breakfast (3x)  
what do you want  
tell me, what do you want  
what do you want, uh  
(2x)

get out of town, it's time to eat  
you know what I was thinking  
a sunny day, it's you and me  
I know that you've been drinking  
we'll have a swim, I know you'll win  
let's hope that I'm not sinking  
a holiday, what can I say  
what can I say (u-u-uh)  
no time to sleep, we'll have some fun  
you know what I was thinking  
boy listen up, it's time to go  
you know you make me happy  
you didn't know what time to, so  
you know what I was thinking  
let's do it once, or maybe twice  
that will be enough (u-u-uh)

what do you want, what do you want for breakfast (3x)  
what do you want  
tell me, what do you want  
what do you want, uh  
(2x)

can I have a good time, baby  
come on  
can I have a fun time, hey boy  
uh-huh  
can I have a good time, baby  
come on  
got myself a fun time, hey boy  
uh-huh

coffee and tv  
(what do you want) (2x)  
all you want from me

(what do you want) (2x)  
I know you know me  
(what do you want) (2x)  
I love you, love me  
(what do you want) (2x)

what do you want, what do you want for breakfast (3x)  
what do you want  
tell me, what do you want  
what do you want, uh  
(2x)

what do you want  
tell me, what do you want  
what do you want, uh  
(repeat until end)
