I-I-I-I need, I need you (4x)

I never said I wasn't gonna tell nobody
no, baby
the risky lovin', I can't keep it to myself
oh no
when we're together it's like hot coals in the fire
hot baby
my body's burnin' so come on here, my desire
come on, come on

two of hearts
two hearts that beat as one
two of hearts
I need you, I need you
two of hearts
two of hearts that beat as one
two of hearts
come on, come on

we don't get jealous 'cause we always stay together
yeah, baby
I guess they really want a love like yours and mine
together forever
I never thought that I could ever be this happy
yeah, baby
my voice of reason, boy you came in the nick of time
woo-oh-woo-oh-woo

I've got this feeling that you're going to stay
I never knew that it could happen this way
before I met you I was falling apart
but now at last I really know my, need my

two of hearts
two hearts that beat as one
two of hearts
I need you, I need you
two of hearts
two of hearts that beat as one
two of hearts

come on, come on
(2x)

I-I-I-I need, I need you (4x)

huh, baby
you bring me into the world
delicious
you're pulling me in, all the time
I like it when you do that
uh-huh
and when you do it like
woo-oh-woo-oh-woo

two of hearts
two hearts that beat as one
two of hearts
I need you, I need you
two of hearts
two of hearts that beat as one
two of hearts
come on, come on
(2x)
