This dance, this dance
Is like a weapon, like a weapon
Of self-defense, of self-defense
Against the present
Against the present
The present tense

I won't get heavy
No don't get heavy
Keep it light
Keep it moving
I am doing
No harm

And as my world
Comes crashing down
I am dancing
Freaking out
Deaf, dumb and blind

In you I'm lost
In you I'm lost

I won't turn around or the penny'll drop
I won't stop now
I won't slack off
Or all this love will be in vain
Ooh...
Stop from falling down a mine
It's no one's business but mine
Or all this love will be in vain
Ooh...

In you I'm lost (repeat)
