if i could tell the world just one thing
it would be we're all ok
not to worry
cause worry is wastefull and useles
at times like these
wont be made useless
won't be idoled with despare
govern my self around my faith
that lights the darkness most feared

my hands are small i know
but there not yours they are my own
but there not yours they are my own
and i am never broken

poverty
stole your golden shoes
it didnt steal your laughter
and heart ache came to visit me
but i knew it wasnt ever after
we'll fight
not out of spite
some one must end the world thats right
whether its a man
that has no voice
where our shadows see

my hands are small i know
but there not yours they are my own
but there not yours they are my own
and i am never broken

in the end only kindness matters
in the end only kindness matters

i will get down on my knees
and i will pray
i will get down on my knees
and i will pray
i will get down on my knees
and i will pray

my hand are small i know
but there not yours they are my own
but there not yours they are my own
and i am never broken

my hand are small i know
but there not yours they are my own
but there not yours they are my own
and i am never broken
we are never broken

we are god's hands
god's hands
god's hands
we are god's hands
god's hands
god's hands
we are god's hands
god's hands
gods hands
