ooooooooohhhhh

And when im up up in the club at night
you worry cuz you think that I aint acting right (aint
right)
I kno that you be better,
But I can't have you neva eva going away from me
(neva eva ya)
Cuz see a player gon play and you kno my way
But I don't care what they say
I kno that you be better
But I can't have you neva eva going away from me

Yea baby girl it aint easy to be me
I know my lifestyle makes it hard to believe me
I gotta play the role just to get that dough
I know you feelin left out and you say you wanna go
when
(i really wanna try baby see you always gonna be mine)
Them other chicks got nothin on you
Im on the grind hard cuz you know i wanna wife you
Listen forget the bickerin' why you gotta stress me
I coulda sworn that you came through to sex me
If you let me imma show the life
Red carpets, posted on my arm as my wife
You like? Pop tags wid your friends all day
You can splurge on me baby its okay
But you know i gotta play cuz a boss gotta get down
So dont trip when these broads wanna touch down

And when im up up in the club at night
you worry cuz you think that I aint acting right
I kno that you be better,
But I can't have you neva eva going away from me
Cuz see a player gon play and you no my way
But I don't care what they say
I kno that you be better,
But I can't have you neva eva going away from me.

tonite we gon get down the central pay
I promised i will take you away
You know im on it extra large
We can sip champagne wit dem cuban ciggars
Im a star, you aint gotta walk for nothin
Baby tease me, let me hear you whisper somethin'
Damn i like they way that sounds
Let your hair down, girl i wanna turn you around
Im gonna kiss ya, rub ya, lick ya, love ya
There aint no other chick above ya
I got a lotta love for you baby
Even though it dont seem so
But you my Queen
I aint neva gonna let you go

And when im up up in the club at night
you worry cuz you think that I aint acting right
ohhhh i kno you kno you kno you kno i love ya
when im up up in the club
and when im up up in the club at night
you worry cuz you think that i aint actin right
I kno that you be better,
But I can't have you neva eva going away from me
Cuz see a player gon play and you no my way
But I don't care what they say
I kno that you be better,
But I can't have you neva eva going away from me

i kno you stressin bout the way i do
but you're the only one in my heart its true
them other chicks dont worry
im comin in a hurry to you yea
& when im on the road or the studio
You know i know that you're the only one im lookin for
I kno that you be better but i cant have you neva eva
goin away from me

And when im up up in the club at night
you worry cuz you think that i aint actin right
I kno that you be better,
But I can't have you neva eva going away from me
Cuz see a player gon play and you no my way
But I don't care what they say
I kno that you be better,
But I can't have you neva eva going away from me
When im up up in the club at night
you worry cuz you think that I aint acting right
ohhhh i kno you kno you kno you kno i love ya
I kno that you be better,
But I can't have you neva eva going away from me
Cuz see a player gon play and you no my ways

But I don't care what they say
I kno that you be better,
But I can't have you neva eva going away from me.
