Do you really want to hurt me
Do you really want to make me cry

Precious kisses
Words that burn me
Lovers never ask you why
In my heart the fires burning
Choose my colour
Find a star
Precious people always tell me
Thats a step
A step too far

Chorus:

Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry

Words are few
I have spoken
I could waste a thousand years
Wrapped in sorrow words are token
Come inside and catch my tears
Youve been talking but believe me
If its true you do not know
This boy loves without a reason
Im prepared to let you go
If its love you want from me
Then take it away
Everything is not what you see
Its over today
