stop, I don't wanna to lose you
I got so much confusion
night, day, left, right

Hey, I don't want your silence
feeling all this violence tonight, don't fight

sweet were rains, nights and days
don't think twice

I don't wanna close my eyes
never gonna play your life
so much, my tears remember, I...

I just wanna let you know
never gonna let you go.
this way my tears are sweet and cold

please, hear me lady, I miss your sweet hello

try, are gonna see me?
I don't wanna lose you
don't brake my life

sweet were rains, nights and days
night, day, cry
I don't wanna close my eyes
never gonna play your life
so much, my tears remember, I...

I don't wanna close my eyes
never gonna play your life
so much, my tears remember, oh.

If it's gonna played your life,
tell me what you've lied.

sweet were rains, nights and days
don't think twice

I don't wanna close my eyes
never gonna play your life

so much, my tears remember, I...

I just wanna let you know
never gonna let you go.
this way my tears are sweet and cold

please, hear me lady, I miss your sweet hello
