I'm hoping
By the time you hear this words
You'll have a change of heart
Along the way I love you
And it's no ordinary want I
t sends me every time I hear your name

I welcmoe every day
As precious and brand-new
No day will go to waste
Sharing with you

Chorus You are my life
You're all I am
I cant live without you
You're the one, who understands
You are my life
You're all I am
My life can be yours
again

I'm holding
All the years we had up to the light
The falling out we might affair just face
Believe me
That just one sentiment tonight
Sentiment tonight
It's so much more than all fun mistakes
Mmm, more...
