J.E.S.U.S said "Love the one who's next to you,
then the one who's next to you will love you too"
Then J.E.S.U.S said "Love your neighbours"
but he didn't know who'd be my neighbours

He didn't specify
Ooh / Ooh / Ooh
No he didn't specify
Ooh / Ooh / Ooh

J.E.S.U.S said that Â« It can be easy to walk on water Â»
But even on the ground I feel myself
trapped like a fly in a glass of water
J.E.S.U.S multiplied breads for all his brothers
but he forgot to give the recipe and let the world in a
complete misery

He didn't specify
Ooh / Ooh / Ooh
He didn't specify
Ooh / Ooh / Ooh
He didn't specify

J.E.S.U.S said "Love the one who's next to you,
then the one who's next to you will love you too"
Then J.E.S.U.S said "Love your neighbours"
