(Lil Bow Wow)

Like when janet was justic thats what i am talking about  
A shorty that can tell you when the J's come out  
Get creative with they haircuts like T-boz  
Fav'rite rappers is Bow Wow, Snoop, JD, & Nas  
Always up in they sombodys face tryin to fuss  
And to get where she goin she can take the bus  
Like when Jada was Peaches in the movie Shame  
Or the type you can find sitting at a Ruckers game  
Only like dealing with cats that love to floss  
Only like rocking the stuff that really costs  
Lip gloss shinnis' tattoos on her back  
Attitude like Mary J. Mixed with Brat  
You can find a man at a beauty shop, mall, or church  
Name brand head to toe with the matching purse  
So all that siddity stuff, ya'll can keep  
Cuz only girls that keep it ghetto get to ride with me (fo'  
sho)

(Chorus)

Ghetto Girls  
That like hot boys that push hot toys  
And ball wit the best of them  
Ghetto girls that rock braids in different shades  
And in the kitchen fixen up the bomb Kool-aid  
Ghetto girls that think they can hang  
And talk more slang  
Than I do  
Ghetto girls that's all I like so tell me baby is that you

(Lil Bow Wow)

When they ride with they man like you won't believe  
Switch the color on there hair like Eve  
When they talk like I talk but walk like a lady  
Snap lile I snap and get a little crazy  
I love that especially when they bout the cheese  
Type that won't front for some Mickey D's  
Bandanas to barrets daisy dukes to spandex all thats  
good with me  
I like em' G-H-E-T-T-O now believe me she gots to go  
At the corner store buying up all the sweets

From Choo Choo's to Rice Krispy Treats on my street  
That's all I see like everyday  
And they do what they do in a crazy way  
Hang with the ballers so they never pay  
And they usually got a name that's hard to say (ya heard)

(Chorus)  
Ghetto Girls  
That like hot boys that push hot toys  
And ball wit the best of them  
Ghetto girls that rock braids in different shades  
And in the kitchen fixen up the bomb Kool-aid  
Ghetto girls that think they can hang  
And talk more slang  
Than I do  
Ghetto girls that's all I like so tell me baby is that you

[X2 (J.D.)]  
Lets talk about it now  
If ya know what I mean  
Shawty let yoself be seen (ya Heard)  
Lets talk about it now  
If ya know what I mean  
Shawty let yoself be seen  
Uh ,Uh

Chorus Till Fade
