(When this began)  
I had nothing to say  
And I get lost in the nothingness inside of me  
(I was confused)  
And I let it all out to find  
That I'm not the only person with these things  
in mind  
(Inside of me)  
But all the vacancy the words revealed  
Is the only real thing that I've got left to feel  
(Nothing to lose)  
Just stuck/ hollow and alone  
And the fault is my own, and the fault is my own

[Chorus]  
I wanna heal, I wanna feel what I thought was never  
real  
I wanna let go of the pain I've held so long  
(Erase all the pain till it's gone)  
I wanna heal, I wanna feel like I'm close to  
something real  
I wanna find something I've wanted all along  
Somewhere I belong

And I've got nothing to say  
I can't believe I didn't fall right down  
on my face  
(I was confused)  
Looking everywhere only to find  
That it's not the way I had imagined it all in my  
mind  
(So what am I)  
What do I have but negativity  
Cause I can't justify the way,  
everyone is looking at me  
(Nothing to lose)  
Nothing to gain/ hollow and alone  
And the fault is my own, and the fault is my own

[Repeat Chorus]

I will never know myself until I do this on my own  
And I will never feel anything else, until my wounds are  
healed  
I will never be anything till I break away from me  
I will break away, I'll find myself today

[Repeat Chorus]

I wanna heal, I wanna feel like I'm somewhere  
I belong  
I wanna heal, I wanna feel like I'm somewhere  
I belong  
Somewhere I belong
