I wish I could go back and  
Change the things I said  
The things I did when I was wasted  
Before we fade to black  
Before you said I'm a child  
Tell me there is a way  
To make it up to you  
'Cause it's unspoken  
How wrong I was  
How deep it cuts  
I know that I broke it  
It's killing me to watch you bleed  
And now it's finally sinking in  
I never thought how wrong I've been  
'Cause i'm so sorry  
I hurt you  
And now the air is getting thin  
And I don't think I'll breathe again  
'Cause I'm so sorry  
I hurt you  
I know I don't deserve to ask  
For another second chance  
For another second chance  
It's not so couldn't I  
I never meant to be the one to hurt you  
Now you're dying inside

'Cause it's unspoken  
How wrong I was  
How deep it cuts  
I know that I broke it  
It's killing me to watch you bleed  
And now it's finally sinking in  
I never thought how wrong I've been  
'Cause I'm so sorry  
I hurt you  
But now the air is getting thin  
And I don't think I'll breathe again  
'Cause I'm so sorry  
I hurt you  
I know I don't deserve to ask

For another second chance  
I know I did it for you  
How could I ever fail to believe  
The things I did from the start  
'Cause I know you were everything I need  
Before we fade to black  
Before you said I'm a child  
Tell me there's a chance to make it  
And now it's finally sinking in  
I never thought how wrong I've been  
'Cause I'm so sorry  
I hurt you  
But now the air is getting thin  
And now I think I breathe again  
'Cause I'm so sorry  
I hurt you  
I know I don't deserve to  
I'm sorry  
I hurt you  
I know I don't deserve to  
I'm sorry  
I hurt you  
I know I don't deserve to ask  
For another second chance
