Endless days and empty nights  
Feel the darkness crawl through my mind  
Out of reach but still calling  
I can't get (through) to you  
Feel the emptiness in my heart  
Life's taken me back to the start  
There's no power no glory  
I'm just missing you

She was my pleasure and my pain  
She was my shelter from the rain  
Searching for answers where it went wrong  
But now she's gone

It's my one mistake  
It's my living nightmare while I'm awake  
And there's no escape  
She's everything I've ever known  
The only thing that i can never chance  
She's the one that got away

Tainted memories, following me  
No redemption, no remedy  
Just a truth thats plain to see  
I can't turn back now

She was my pleasure and my pain  
She was my shelter from the rain  
Searching for answers where it went wrong  
But now she's gone

It's my one mistake  
It's my living nightmare while I'm awake  
And there's no escape  
She's everything I've ever known  
The only thing that i can never chance  
She's the one that got away

Calling me, haunting me  
Never ending, its breaking me  
Feel its burning inside of me
