My One and Only Love
by George LaMond
Though there's times I could be cruel
Of the way I show my ways
Oh babe, with me, this I ask
Just have some faith in me
And you will see the real me
Moments pass me by, I'm not there to share
You call me once or twice, I'm never there
If you could see inside my mind
Just want to hold you close
Close to me, until eternity
If I could only turn back time
I would spend all the times with the ones I love
Cause being apart weakens your love
Til a dark and cloudy day
So I pray to the One above
For a love with you, it is guarded
For you I'd climb a mountain
Cause you're my one
My one and only love
I'm so glad to be a part of you
I love to see your smile shine though
And to imagine how I'd be
Without you in my life
The joy you bring to me
Moments pass me by, I'm not there to share
You call me once or twice and I'm never there
If I could only turn back time
I would spend all the times with the ones I love
Cause being apart weakens your love
Til a dark and cloudy day
So I pray to the One above
For a love for you it is guarded
For you I'd climb a mountain
Cause you're my one
My one and only love
I love you...
