Thomas Dolby - Eastern Bloc  
-----

Here in England it's so green  
Martian men can move unseen  
Apparatus underground  
Monitor the crunching sound

Joey's gone and Georgie's gone  
Put their best torn trousers on  
Found a crowbar and a drill  
Headed for the Berlin Wall

And last night I swear I saw her face  
As they stormed the gates of satellite TV ("Europa")  
Too bad I don't get News At Ten  
'Cause the CNN would tell a different story

Chorus:

Eastern Bloc, Eastern Bloc  
You're never gonna break that dead (?  
How can I shake that gridlock?  
Shell-shock!  
Tuning out, tuning in, Europa, Europa  
Shine across these waves and rescue me  
Loud and clear, through thick and thin, Europa, Europa  
Come in, come in, come in, come in, do you read?  
Are you receiving me?

So I was fourteen she was twelve  
Father travelled, hers as well  
Down the beaches hand in hand  
Twelfth of never on the sand

And we said we'd be the pirate twins again  
In the freezing rain of the Eastern Bloc  
And I used to think each time we kissed it was for real  
But tonight I feel that the wind has changed

(Repeat Chorus Twice
