I scare myself just thinking about you
I scare myself when I'm without you
I scare myself the moment that you're going
I scare myself when I let my thoughts run
And when they're running (Running, running, running),
I keep thinking of you
And when they're running what can I do?

I scare myself and I don't mean lightly
I scare myself, it can get frightening
I scare myself, to think what I could do
I scare myself, it's some kind of voodoo
And with that voodoo (Voodoo, voodoo, voodoo), I
keep thinking of you
And with that voodoo what can I do?

And with that voodoo, I keep thinking of you
And with that voodoo what can I do?
But it's so, so very different when we're together
And I'm so, so, so much calmer, I feel better
'Cause the stars already crossed our paths forever
And the sooner that we realise it the better
And then I'll be with you and I won't scare myself
And I'll know what to do and I won't scare myself
And my thoughts will run and I won't scare myself
And I'll think of you and I won't scare myself
It's me I'm scaring, it's me I'm scaring, it's me I'm
scaring, it's me I'm scaring
It's me I'm scaring, it's me I'm scaring, it's me I'm
scaring, it's me I'm scaring
