Crying- Don MacLean(?) transcribed from kd lang on MTV's "unplugged"

I was alright for a while
I could smile for a while
then I saw you last night
you held my hand so tight
when you stopped to say hello
you were wishing me well
you couldn't tell
that I'd been crying over you
crying over you
and you said "so long"
and left me standing all alone
alone and crying, crying, crying, crying
it's hard to understand
that the touch of your hand
can start me crying

I thought that I was over you
but it's true, oh so true
I love you even more than I did before,
oh darling what can I do
No you don't love me and I'll always be
crying over you, crying over you
Now you're gone and from this moment on
I'll be crying, crying, crying, crying,
crying, crying, over you
