I pin myself against the walls  
Stationed like a horse in stall  
Just wishing they might call me art  
there I hung in the hall  
Collecting dust, that's all  
It's all I needed to do

While in the corner, quite a size  
He's sits talking, whiskey-wise  
Hopin' to throw me off  
But no matter how he tries  
I'll just look him in the eyes  
It's all I need to do

That's all it took to see I was wastin' time  
It's all it took to see I was walkin' the line  
I'm going to ride high as can be  
I look behind and see them followin' me

So my friends don't delay  
Unless of course you'd rather stay  
Lemming heads for the cliff  
Round them up they're going astray  
Take the lead take the way  
That's all that we need to do

I'm going to ride high as can be  
I look behind and see them followin' me
